To Whom It May Concern,

The purpose of this letter is to emphasize my glowing recommendation for Carrie Davis. I have been blessed with the opportunity to work directly under her as her intern within the Retail Partners and Affiliates Department at World Vision U.S.

She is phenomenal at managing accounts and operations with detail and organization, while being ignited by a clear vision for innovation. She always finds new ways to better reach out to our donors through creativity, technology, and authenticity. She not only seeks out those ideas, she has exhibited her ability and talent to take them through production, execution, and operation.

Carrie is a strong believer in empowerment and I can truly attest that she empowered me. I was so fortunate to work under her supervision as an intern. I have had such an advantage to have someone who naturally stepped in and invested so much time, knowledge, and wisdom into me. She is a reliable, dedicated, innovative, and an empowering natural leader that would strongly contribute as an essential asset to any company. Please feel free to contact me if I can be of further assistance.

Sincerely,

Shelly Benton
